BTEC National Diploma in Foundation Art & Design (Distinction)
Belfast Metropolitan College, 2008-09

A-Levels; Art, Physics and Geography; A, B, B.
Aquinas Grammar School, Belfast, 2006-08

— SKILLS —

Model making, hand drawing, woodwork.

AutoCAD, Adobe Photoshop, Illustrator and InDesign, Rhino (3D modelling and rendering), Ecotect (environmental analysis), Final Cut Pro.

Public speaking and presentation, teamwork.

— EXPERIENCE —

Meds International Design Workshop, Ljubljana, Aug 2012
A two week workshop within the city looking at design through our other senses.

Practicing Artist, 2009 - present
Starting initially as a photographer, I have grown through my study of Architecture to bring space, sculpture, sound and video into my work, blurring the line between these subjects. My most recent exhibitions have been:

- *'Connected Sounds'*, in collaboration with Joanna Monks, Household Festival, Belfast, Aug 2012.

- *'Creak Beneath Creak'*, The Art School, Glasgow, Jan 2012.

InterACT, Glasgow, Feb - Mar 2012
Design and feasibility competition involving 2 student engineers from Glasgow University and the University of the West of Scotland.

Hearth Housing Association, Belfast, Aug 2011
Shadowed Siobhan Brown, architect, to site meetings and inspections focused on building conservation.

Painter and Decorator, Belfast, Summers 2007 - present
Self-employment has given me drive, motivation and an appreciation of manual labour and detail.

RSPB Guide, Rathlin Island, July 2008, June 2010
Constant engagement with visitors from anywhere in the world all with different levels of knowledge keeps you thinking on your feet.

AWARDS AND ACHIEVEMENTS

Lynn Scobie Memorial Prize for Outstanding Contribution to the Architecture and Spirit of the Year of 2012.

RSPB Photography Competition, Winner within the 'Wildlife Category'.

Student Representative, GSA and Belfast Met.

Head Boy, Aquinas Grammar School.
